

West Hernando Christian School

Growing Together in Faith, Knowledge, & Character

Dear Prospective WHCS Family,

We are glad to see your interest in West Hernando Christian School. Our aim is to work alongside families and local churches for the education and discipleship of your child. Students at our school grow academically and spiritually as we teach them how a Biblical worldview and strong faith in Jesus lead them to a productive life as directed by our Lord.

Please take some time to look over the enclosed information about our school, and I encourage you to visit our website if you would like more information. Also enclosed is our admission procedure with a parent interview questionnaire. My staff and I will be happy to meet with you and your child at your convenience for an interview and tour of our campus. Please bring the completed parent interview questionnaire with you.

Thank you for your interest. If there is anything we can do for you and your family, or any questions we can answer please feel free to contact us. My God lead you and give you wisdom as you search for the school that will be best for your child.

In His Service and Yours,
David W. Hand II
Principal
